For students who request to cancel their enrollment, the University will evaluate both policies to determine which requirement is most beneficial to the student and apply that standard. Refer to the Catalog Addendum for the current application fee cost.

Student's Right to Cancel (CA Private Postsecondary Education Act of 2009)

- A. Students have the right to cancel the enrollment agreement and obtain a refund of charges paid through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. - B. Cancellation may occur when students provide a written notice of cancellation by mail or by hand delivery at the students' place of training:

- C. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
- D. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
- E. If the Enrollment Agreement is cancelled, the University will refund the students any money they paid, less an application and/or STRF fee not to exceed \$250.00. Flight costs are non-refundable after the initial enrollment cancellation period and students will be assessed a charge for any flight costs incurred.
