

QUESTIONS TO ASK AVIATION SCHOOLS

when choosing the best flight training option for you.

How does the flight training work?

- How is flight **scheduled**?
- How soon will I begin flight training?
- What is the **student-to-aircraft** and **student-to-CFI** ratio?
- How's the **weather**? No, really.
- Who **maintains** the fleet?
- Does this institution require me to be **fit to fly** before enrollment?
- Are there any foreseeable delays to my training?
- Is my ground school and flight training conducted in the **same place**?

What certificates/ratings are included?

- What are the **average completion times** for each?
- Are there additional ways to **build hours**?

How will this program help me achieve my career goals?

- Are you partnered **directly** with my airline of choice?
- Are there **pilot pathway** programs available?
- Are there **resources** to help me prepare for employment?
- What is your **job placement** rate?
- Are you getting paid commission to enroll me?
- What is the **culture** of the school like?

How much will this cost? And what is included in the estimate?

- Supplies/equipment/fuel?
- Are you quoting me based on minimums or **average cost**?
- Are costs itemized or **all included** in tuition?
- Is there financial aid available?
