# TRANSFER STUDENTS

We're honored that you're considering California Aeronautical University (CAU) as your next step towards a career in aviation. Whether you're transitioning from a community college, another university, or from the military, CAU offers a personalized pathway to help make transferring simple and seamless.

## **ADMISSIONS** REQUIREMENTS

- CAU Application
- Must be at least 17 years old
- High school diploma or GED
- Program-specific requirements

## **TRANSFER STUDENT** REQUIREMENTS

- 12 or more transferrable semester units
- Completed a course in both topics:
